Dear Harold,

The last I heard Turner and a Washington Post reporter were seeking a publisher on Watergate.

As per the enclosed, interesting links between Rebozo, Cuban exiles, and Mafia figures.

The CIA/Mafia relationship is as ideal as The O.S.S.

The Pentagon/The CIA/ F.B.I./The Federal Govt. all suppressed data but I suspect the actual shooters were paramilitary.

Ray feared Louisiana witnesses because the conspiracy was New Orleans based.

Watergate is "heavy". The truth is unlikely to emerge.

Hope the civil action goes well.

Sincerely,

E
